# Blitzwolf BW-V4

EAN/UPC:5999571645558

| | |
|---|---|
| Brief Introduction<br>Beta 2.5 | The Blitzwolf BW-V4 LED LCD projector has 450 Ansi-Lumen, a contrast of 1000:1 and an HDTV 1920 x 1080 resolution. The service life of the LEDs is 50,000 hours, which is over 34.2 years with a daily viewing time of 4 hours. The integrated media player allows files to be played directly. The projector can illuminate a picture width of up to 216 cm thanks to its 450 Ansi lumens. In room lighting, however, the picture width should ideally be less than 144 cm. As the projector recognizes Airplay and Miracast screen mirroring signals, it is possible to play videos with high resolution and surround sound directly from a smartphone, tablet or PC (Android, Windows and iOS) via Wi-Fi. Another extra is that the projector can be connected to external wireless speakers using the Bluetooth function. 1080P playback is also no problem for the projector. It was launched in 2023 and is no longer offered by the manufacturer Blitzwolf. |
| Display Type | 1 x LCD TFT Panel<br>HDTV 16/9 Liquid Crystal Display |
| Ansi-Lumen | Projector: 450 / Screen: 194 Lux (bei 203 cm Screen) |
