

3M Nobile X50

3M NOBILE X50

Brief Introduction

Beta 2.5

The standard portable 3M Nobile X50 LCD projector has 2000 Ansi lumens, a contrast of 400:1 and an XGA 1024 x 768 resolution. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. The projector can illuminate a picture width of up to 389 cm thanks to its 2000 Ansi lumens. In room lighting, however, the picture width should ideally be less than 259 cm. This model is no longer available from 3M.
