Project anywhere with your iPhone® 4/4S

Slide on and share instantly

The nostalgia of a projector meets the magic of today's technology! Now it's easy to share photos and videos anywhere you go. Create showier shows. Enjoy happier apps. Wow family and friends. Be the life of the party and cause a scene, round the corner or around the world.

Just snap the ultra-sleek 3M™ Projector Sleeve onto your iPhone® 4/4S and you can project video and photos anywhere. Easy. Fast. Fun. How cool is that?

+ Share your new favorite viral video from YouTube® or stream the newest films from Netflix® on the wall, on the ceiling or on the side of a tent.
+ Enjoy over an hour and a half of your favorite video downloads between charges.
