

3M X31i

3M X31i

The standard portable 3M X31i LCD projector has 2700 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. The manufacturer 3M specifies a lamp life of 5000 hours, which is over 6.8 years with a daily viewing time of 2 hours. The projector also offers an integrated media player that can be used to play files directly. 2700 Ansi lumens ensure that a picture width of 453 cm is also possible. However, if room light is available, the picture should be max. 302 cm wide. Even 1080P video signals are no problem for the projector. The model built in 2012 is no longer offered by 3M.
