

Kindermann KX 535 W

KINDERMANN KX 535 W

A brief introduction to the KX 535 W: The Kindermann standard portable LCD projector offers 3500 Ansi lumens, a contrast of 8000:1 and a WXGA 1280 x 800 resolution. The projector also offers an integrated media player for direct playback of files. The horizontal and vertical keystone correction provides leeway when setting up. 601 cm picture width, the projector will be able to illuminate well. The projector can manage rooms with residual light with a smaller image width, we recommend a maximum of 401 cm here. The model built in 2014 is no longer offered by Kindermann.
