

Mudix HP10

MUDIX HP10

The Mudix HP10 LED LCD projector has 500 Ansi lumens and an HDTV 1920 x 1080 resolution. The manufacturer specifies an LED service life of 80,000 hours, which is over 54.8 years with a daily viewing time of 4 hours. 500 Ansi lumens ensure that a picture width of 227 cm is also possible. However, if room light is available, the picture should be a maximum of 151 cm wide. Playing 1080P is also no problem for the projector.

3 x LCD Panel
HDTV 16/9 Liquid Crystal Display
