

Optoma HD29Darbee

EAN/UPC:796435 81 256 0

OPTOMA HD29DARBEE

The Optoma HD29Darbee 3D DLP projector has 3200 Ansi lumens, a contrast of 30000:1 and an HDTV 1920 x 1080 resolution. The manufacturer specifies a lamp life of 10000 hours, which converts to over 13.7 years at 2 hours per day. A picture width of up to 575 cm is possible. However, the picture should be smaller in room light. We recommend max. 383 cm. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. It is also Full HD 1080P and 3D compatible. With an operating noise of just 29 decibels, the model is very quiet compared to others. On the market since 2017, the model is no longer offered by the manufacturer Optoma, but is still a popular projector in our database.

1 x 0,65" DC3 DLP Chip
