Data

Manufacturer VersaView offers the VP220, a DLP projector with SVGA 800 x 600 resolution. The projector can effectively illuminate an image width of 408 cm. However, if there is ambient light, the image width should ideally not exceed 272 cm. With an operating noise level of just 30 decibels, this model is very quiet compared to others. This model is no longer offered by VersaView.
