

# AAXA L500

AAXA L500

## Brief Introduction

Beta 2.5

The standard portable L500 LED DLP projector from AAXA has 500 Ansi lumens, a contrast of 1000:1 and an HDTV 1920 x 1080 resolution. Due to the LEDs, the projector is specified with 30000 hours of light life, which is over 20.5 years if enjoyed for four hours a day. An image width of up to 227 cm is possible as the projector has 500 Ansi lumens. However, if room light is available, the picture should be max. 151 cm wide. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. Furthermore, the projector can play 1080P without any problems. At just 30 decibels, the device is one of the quieter projectors. It was launched in 2023 and is no longer offered by the manufacturer AAXA.

1 x DLP Chip  
HDTV 16/9 Ti Digital Light Processing Chip

## Display Type

Ansi-Lumen

500

Contrast

1000:1

Black Level

0,5000 min. Lumen

Offset

-

Resolution

HDTV 1920 x 1080  
2.073.600 Pixel
