With the P400, manufacturer AAXA offers an LED projector with HDTV 1920 x 1080 resolution and a contrast of 1000:1. The lifespan of the LEDs is 30000 hours, which is over 20.5 years with a daily viewing time of 4 hours. The integrated media player allows files to be played directly. With a projection ratio of just 0.7:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 140 cm away from the screen. Thanks to the built-in 38 watt 10000 mah battery, no power supply is required, allowing the projector to be set up quickly and flexibly. It is also Full HD 1080P compatible.
