

Acer K138STi

ACER K138STi

The micro-portable K138STi 3D LED DLP projector from Acer has 800 Ansi lumens, a contrast of 100000:1 and a WXGA 1280 x 800 resolution. The manufacturer Acer specifies a service life of 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. A picture width of up to 287 cm is possible as the projector has 800 Ansi lumens. However, if room light is available, the picture should be max. 191 cm wide. Thanks to the built-in 400 mAh battery, no power supply is required, allowing the projector to be set up quickly and flexibly. The model built in 2015 is no longer offered by Acer, but is still one of the very popular projectors.

Brief Introduction Beta 2.5

Display Type

1 x DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Ansi-Lumen

Projector 800 Screen 311 Lux (bei 203 cm Screen)
