

Acer S1386WH

ACER S1386WH

With the S1386WH, manufacturer Acer offers a short-throw DLP projector with WXGA 1280 x 800 resolution and a contrast of 20000:1. The lamp in the projector is specified with a lamp life of 10000 hours, which is over 13.7 years if enjoyed for two hours every day. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide picture, the projector only needs to be 104 cm away from the screen. Even 1080P video signals and 3D are no problem for the projector. On the market since 2019, the model is no longer offered by the manufacturer Acer, but is still a popular projector in our database.
