

Acer U5220

ACER U5220

The U5220 3D BrilliantColor DLP projector from Acer has 3000 Ansi lumens, a contrast of 13000:1 and an XGA 1024 x 768 resolution. Thanks to the short-throw projection ratio of just 0.47:1, the projector is also not distracting in the room. For a 2m wide image, the projector only needs to be 94 cm away from the screen. The model offers a microphone jack plug and 10W speakers, so no additional audio devices are required for presentations or training courses. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. It is also Full HD 1080P and 3D compatible. It was launched on the market in 2015 and is no longer offered by the manufacturer Acer.

Brief Introduction Beta 2.5

Display Type

1 x 0,55" DC3 DLP Chip
XGA 4/3 Ti Digital Light Processing Chip

Ansi-Lumen

3000 / 2400 im Eco Mode
