

Acer U5320W

ACER U5320W

The short-throw U5320W 3D BrilliantColor DLP projector from Acer has 3000 Ansi lumens, a contrast of 13000:1 and a WXGA 1280 x 800 resolution. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide image, the projector needs to be just 74 cm away from the screen. The model offers a microphone jack plug and 10W speakers, so no additional audio devices are required for presentations or training courses. A smartphone with MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz image mirroring (screen mirroring). The model is also Full HD 1080P and 3D compatible. On the market since 2015, the model is no longer offered by the manufacturer Acer.

Brief Introduction Beta 2.5
