

Acer X1173A

ACER X1173A

Brief Introduction

Beta 2.5

The standard portable X1173A 3D BrilliantColor DLP projector from Acer has 3000 Ansi lumens, a contrast of 13000:1 and an SVGA 800 x 600 resolution. The lamp life is specified by the manufacturer as 5000 hours, which is over 6.8 years with a daily viewing time of 2 hours. The projector can illuminate a picture width of up to 477 cm well thanks to the 3000 Ansi lumens. In room light, however, the image width should ideally be less than 318 cm. The model is also Full HD 1080P compatible. The operating noise of just 30 decibels makes the projection quiet. On the market since 2014, the model is no longer offered by the manufacturer Acer.
