

Acer X1328AF

ACER X1328AF

The Acer X1328AF DLP projector has 5000 ANSI lumens, a contrast ratio of 20000:1 and a WXGA resolution of 1280 x 800. The manufacturer specifies a lamp life of 10,000 hours, which equates to over 13.7 years when used for 2 hours a day. Horizontal and vertical keystone correction provides flexibility when setting up. The brightness of 5000 ANSI lumens allows for an image width of 718 cm. The projector can also handle slightly brighter rooms with a smaller image width (we recommend max. 479 cm). Even 1080P video signals are no problem for the projector.
