

# Acer X1629H

ACER X1629H

The Acer model X1629H is a DLP projector with WUXGA 1920 x 1200 resolution and a contrast of 10000:1. The manufacturer specifies a lamp life of 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. The projector can illuminate a picture width of up to 682 cm thanks to its 4500 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 455 cm. Playing 1080P and 3D is also no problem for the projector. Even projection onto the ceiling is possible thanks to the 360° projection.
