

Agreago GC357

AGREAGO GC357

With the GC357, manufacturer Agreago offers a standard portable LCD LED projector with HDTV 1920 x 1080 resolution and a contrast ratio of 25000:1. Thanks to the LEDs, the service life is 50,000 hours, which equates to over 34.2 years at 4 hours per day. The projector can illuminate images up to 249 cm wide thanks to its 600 ANSI lumens. However, in room lighting, the image width should ideally be less than 166 cm. The model recognizes Airplay and Miracast screen mirroring signals, making it possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet, or PC (Android, Windows, and iOS). Another extra feature worth mentioning is that the projector can be connected to external wireless speakers via Bluetooth. Furthermore, it is compatible with Full HD 1080P and 4K (compressed).

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Projector 600
