

Ally PTV01E

ALLY PTV01E

The Game-Portabel PTV01E LED DLP projector from Ally has 156 Ansi lumens and a WXGA 1280 x 800 resolution. The manufacturer specifies an LED service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. Including an integrated media player with which files can be played directly. As Ally specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. 156 Ansi lumens ensure that a picture width of 127 cm is also possible. However, if room light is available, the picture should be max. 85 cm wide. The projector is no longer sold by the manufacturer.
