

ANKOUJA Mini Pro

ANKOUJA MINI PRO

With the Mini Pro, manufacturer ANKOUJA offers a game-portable LCD LED projector with VGA 640 x 480 resolution and a contrast of 2000:1. The lifespan of the LEDs is 30000 hours, which is over 20.5 years if enjoyed for four hours a day. As ANKOUJA specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. An image width of up to 117 cm is possible. In room light, however, the image should be smaller. We recommend max. 78 cm. The projector has optional Airplay, Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via WLAN. The model is also Full HD 1080P compatible.

Brief Introduction

Beta 2.5

Display Type

1 x LCD TFT Panel
VGA 4/3 Liquid Crystal Display

Ansi-Lumen

180 / 3000 Lumen

60 Lux (bei 200 cm Screen)
