

Anthem LTX 500v

ANTHEM LTX 500v

The Anthem model LTX 500v is a DILA projector with HDTV 1920 x 1080 resolution and a contrast of 50000:1. With the lens shift function, the projector can be positioned very freely. An image width of up to 305 cm is possible. However, the image should be smaller in room light. We recommend a maximum of 203 cm. It is also Full HD 1080P compatible. The operating noise of only 19 decibels makes the projection quiet. It was launched in 2009 and is no longer offered by the manufacturer Anthem.
