

# AriusTek MX 120

ARIUSTEK MX 120

A brief introduction to the AriusTek MX 120. The game-portable LCOS LED projector has an XGA 1024 x 768 resolution and a contrast of 1000:1. The manufacturer AriusTek specifies a service life of 30,000 hours, which is over 20.5 years with a daily viewing time of 4 hours. The projector can illuminate a picture width of up to 95 cm well thanks to the 120 Ansi lumens. In room light, however, the image width should ideally be less than 63 cm. The projector can also play 1080P without any problems. It was launched in 2012 and is no longer offered by the manufacturer AriusTek.

1 x LCoS Panel
