

Aurzen Eazze D1

AURZEN EAZZE D1

The standard portable Eazze D1 LED LCD has 200 Ansi lumens and an HDTV 1920 x 1080 resolution. Due to the LEDs, the projector is specified with 30000 hours of light life, which is over 20.5 years if enjoyed for four hours every day. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. 200 Ansi lumens ensure that a picture width of 144 cm is also possible. However, if room light is available, the picture should be a maximum of 96 cm wide. Another extra is that the Bluetooth function allows the projector to be connected to external wireless speakers. The model is also Full HD 1080P and 4K (compressed) compatible.

- 1 x LCD Panel
- HDTV 16/9 Liquid Crystal Display
