Operating Noise

The BeamBox Evolution R 1 LED LCOS projector has 30 Ansi lumens, a contrast of 200:1 and a VGA 640 x 480 resolution. The manufacturer BeamBox specifies a service life of 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. Thanks to the built-in rechargeable battery, the projector does not require a power supply for 1 hour, allowing it to be set up spontaneously and easily anywhere. It was launched in 2009 and is no longer offered by the manufacturer BeamBox.

Lcos Panel

VGA 4/3 Liquid Crystal on Silicon (LCOS)
