

Benq MS527

BENQ MS527

The Benq model MS527 is a DLP projector with SVGA 800 x 600 resolution and a contrast of 13000:1. The manufacturer specifies a lamp life of 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. The projector will be able to illuminate a picture width of 500 cm well. If room light is available, however, the picture width should ideally not exceed 333 cm. Playing 1080P and 3D is also no problem for the projector. The model built in 2016 is no longer offered by Benq, but is still very popular in our projector database.
