

Benq MX806ST

BENQ MX806ST

A brief introduction to the MX806ST: The Benq 3D DLP projector offers 3000 Ansi lumens, a contrast of 13000:1 and an XGA 1024 x 768 resolution. The lamp of the projector is specified with a lamp life of 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide picture, the projector only needs to be 122 cm away from the screen. Playing 1080P and 3D is also no problem for the projector. The model built in 2014 is no longer offered by Benq, but is still a popular projector in our database.
