

Benq PB6210

BENQ PB6210

Brief Introduction

Beta 2.5

The standard portable PB6210 DLP has 2000 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. An image width of up to 389 cm is possible. However, the image should be smaller in room light. We recommend max. 259 cm. The operating noise of only 30 decibels makes the projection quiet. The projector was launched in 2004 and is no longer sold by the manufacturer, but is still very popular in our projector database.
