

Benq SU964

BENQ SU964

A brief introduction to the SU964: The Benq stationary 3D DLP projector offers 6000 Ansi lumens, a contrast of 8300:1 and a WUXGA 1920 x 1200 resolution. With the lens shift function, the projector can be positioned very freely. An image width of up to 787 cm is possible as the projector has 6000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 525 cm. Playing 1080P and 3D is also no problem for the projector. On the market since 2015, the model is no longer offered by the manufacturer Benq.
