

Benq SX920

BENQ SX920

A brief introduction to the SX920: The Benq standard portable 3D DLP projector offers 5000 Ansi lumens, a contrast of 5000:1 and an XGA 1024 x 768 resolution. Including a lens shift and keystone correction function, which provides freedom during installation. An image width of up to 616 cm is possible, if the image width is smaller (we recommend max. 411 cm), rooms with residual light are also no problem. The HDMI MHL (Mobile High-Definition Link) port allows 1080p / 60 Hz image mirroring (screen mirroring) to be transmitted from the smartphone while it is being charged at the same time via the connection. The model is also Full HD 1080P and 3D compatible. The model built in 2015 is no longer offered by Benq.

Brief Introduction

Beta 2.5
