

Boxlight ECO X32NST

The short-throw ECO X32NST LCD has 3200 Ansi lumens, a contrast of 4000:1 and an XGA 1024 x 768 resolution. The manufacturer Boxlight specifies a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours a day. As it is a short-throw projector, it can be placed very close to the wall. For a 2 m wide image, the projector only needs to be 90 cm away from the screen. It came onto the market in 2014 and is no longer offered by the manufacturer Boxlight.
