The Wireless Mobile Projector LED DLP projector from Brookstone has 100 Ansi lumens, a contrast of 400:1 and a WVGA 854 x 480 resolution. Thanks to the LEDs, the projector has a light life of up to 20,000 hours, which is over 13.7 years if enjoyed for four hours a day. 100 Ansi lumens ensure that a picture width of 102 cm is also possible. However, if room light is available, the picture should be max. 68 cm wide. The model built in 2016 is no longer offered by Brookstone.

1 x DLP Chip
