

Byintek SKY K18

BYINTEK SKY K18

The Byintek SKY K18 standard portable LED LCD projector has 300 Ansi lumens, a contrast of 10000:1 and an HDTV 1920 x 1080 resolution. Thanks to the LEDs, the projector has a light life of up to 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. The integrated media player can play files directly. Built-in horizontal and vertical keystone correction provides freedom when positioning the projector. Thanks to the brightness of 300 Ansi lumens, a picture width of 176 cm is possible. In room light, the picture should be max. 117 cm wide. The projector has screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. Even 1080P and 4K (compressed) video signals are no problem for the projector.
