

Caiwei A6TG

CAIWEI A6TG

The Caiwei A6TG LED LCD projector has 950 ANSI lumens, a contrast ratio of 10000:1 and an HDTV 1920 x 1080 resolution. The LEDs give the projector a light lifespan of up to 30000 hours, which is over 20.5 years if used for four hours a day. A picture width of up to 313 cm is possible because the projector has 950 ANSI lumens. However, if there is room light, the picture should be no more than 209 cm wide. Since the projector recognizes Airplay, Miracast Screen Mirroring signals, it is possible to play videos with high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. In addition, the Bluetooth option is a useful addition for the projector, especially for wireless audio transmission. Video signals 1080P and 4K (compressed) are also no problem for the projector.

Brief Introduction

Beta 2.5

Display Type

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

950

422 Lux (bei 200 cm Screen)
