

Casio XJ- S400WN

CASIO XJ - S400WN

The standard portable XJ- S400WN Laser DLP has 4000 Ansi-Lumen, a contrast of 20000:1 and a WXGA 1280 x 800 resolution. Due to the laser, the service life is 20000 hours, which is equivalent to 13.7 years at 4 hours per day. The projector is equipped with a microphone jack plug and 16W speakers, so no additional speakers are required for presentations or training courses. The projector can illuminate images up to 643 cm wide thanks to its 4000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 429 cm. It is also Full HD 1080P compatible. The model built in 2019 is no longer offered by Casio.
