

Chinavasion CVAK-E146-2GEN

CHINAVASION CVAK-E146-2GEN

Brief Introduction

Beta 2.5

The standard portable Chinavasion CVAK-E146-2GEN LED LCD projector has 132 Ansi lumens, a contrast of 1000:1 and an SVGA 800 x 600 resolution. The manufacturer Chinavasion specifies a service life of 50,000 hours, which is 34.2 years if enjoyed for four hours a day. As Chinavasion specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. An image width of up to 100 cm is possible, as the projector has 132 Ansi lumens. However, if room light is available, the image should be max. 67 cm wide. At just 25 decibels, the device is one of the quieter projectors. It was launched on the market in 2013 and is no longer offered by the manufacturer Chinavasion.

Display Type

1 x 5" LCD Panel
SVGA 4/3 Liquid Crystal Display

Ansi-Lumen

280 / 2200 Lumen

93 Lux (200 cm Screen width)
