

Christie Captiva DWU500S

CHRISTIE CAPTIVA DWU500S

Brief Introduction

Beta 2.5

The Christie Captiva DWU500S is a DLP laser projector with WUXGA 1920 x 1200 resolution and a contrast ratio of 1800:1. The manufacturer Christie specifies a service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. This projector has a projection ratio of just 0.25:1. For a 2 m wide image, the projector only needs to be 50 cm away from the screen. The projector is equipped with a microphone jack plug and 10W speakers, so no additional speakers are required for presentations or training sessions. Video signals 1080P and 3D are also no problem for the projector.
