

CiBest G1

CIBEST G1

The G1 LED LCD has 500 ANSI lumens, a contrast ratio of 20,000:1 and an HDTV 1920 x 1080 resolution. The manufacturer states that the LED has a lifespan of 30,000 hours, which would be over 20.5 years with 4 hours of viewing per day. The projector also offers an integrated media player that can be used to play files directly. Horizontal and vertical keystone correction makes image setup a breeze. A picture width of up to 227 cm is possible because the projector has 500 ANSI lumens. However, if there is room light, the picture should be no more than 151 cm wide. The projector has Chromecast, Airplay, Miracast Screen Mirroring support, which makes it possible to play videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS directly via Wi-Fi. In addition, the Bluetooth option is a useful addition for the projector, especially for wireless audio transmission. Furthermore, the projector can play 1080P and 4K (compressed) without any problems.

1 x 4,5" LCD Panel
HDTV 16/9 Liquid Crystal Display

Projector: 500
Contrast: 20000:1
