

CoolEeve 12000L 1080P Portable Projector

Brief Introduction

Beta 2.5

The CoolEeve 12000L 1080P Portable Projector LED LCD projector has 720 ANSI lumens, a contrast ratio of 10000:1 and an HDTV 1920 x 1080 resolution. It is an LED projector with a 30,000-hour light lifespan, which means that if you use it for four hours a day, you can enjoy it for over 20.5 years. Since CoolEeve indicates the brightness of the projector in lumens, we have calculated an approx. Ansi-lumen value in this case. 720 Ansi-Lumen ensure that an image width of 273 cm is also possible. If there is room light, then the image should not be more than 182 cm wide. The projector has Airplay, Miracast Screen Mirroring support, which makes it possible to play videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS directly via WLAN. In addition, the Bluetooth option is a useful addition for the projector, especially for wireless audio transmission. The projector can also play 1080P without any problems.

Display Type

- 1 x LCD Panel
- HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

720 / 12000 Lumen

320 Lux (bei 200 cm Screen)
