Coolid C7

EAN/UPC:B0HKHGGT7B

Brief Introduction Beta 2.5	The Coolid Model C7 is an LCD LED projector with HDTV 1280 x 720 resolution and a contrast ratio of 2000:1. The manufacturer specifies an LED lifespan of 30,000 hours, which would amount to over 20.5 years based on 4 hours of daily use. The projector is equipped with a built-in media player, so playing files directly will be no problem. This projector has a throw ratio of just 1.3:1. To project a 2-meter-wide image, the projector needs to be positioned just 260 cm away from the screen. Since the projector supports AirPlay and Miracast screen mirroring, you can stream high-resolution videos with surround sound directly from a smartphone, tablet, or PC (Android, Windows, and iOS) via Wi-Fi. Another notable feature is that the projector?s Bluetooth function allows it to connect to external wireless speakers. Additionally, the projector can play 1080p content without any issues.
