COSYHOMES 1080P FULL HD

The COSYHOMES 1080p Full HD Portable LED LCD Projector has 60 ANSI lumens and a WVGA resolution of 800 x 480. Thanks to the LEDs, the service life is 30,000 hours which equates to over 20.5 years if used for four hours a day. The horizontal and vertical keystone correction provides flexibility when setting up the projector. 60 ANSI lumens ensure that an image width of 67 cm is possible. However, if there is ambient light in the room, the image should be no more than 45 cm wide. The model recognises AirPlay and Miracast screen mirroring signals, so it is possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet or PC (Android, Windows and iOS). Playing 1080p content is also no problem for the projector.
