

CTX PS 5120

CTX PS 5120

The CTX PS 5120 LCD projector has 1200 Ansi lumens, a contrast of 400:1 and an SVGA 800 x 600 resolution. A picture width of up to 302 cm is possible. However, the image should be smaller in room lighting. We recommend max. 201 cm. It was launched in 2004 and is no longer offered by the manufacturer CTX. It should also be noted that there are unfortunately no longer any replacement lamps available for the projector, neither original nor replica.

3 x 0,7" LCD TFT Panel
