

CTX PS 6120

CTX PS 6120

Brief Introduction

Beta 2.5

A brief introduction to the CTX PS 6120. The standard portable LCD projector has an XGA 1024 x 768 resolution and a contrast of 300:1. The lamp life is up to 4000 hours, which is over 5.5 years if enjoyed for two hours a day. The projector can illuminate a picture width of up to 302 cm thanks to its 1200 Ansi lumens. In room light, however, the image width should ideally be less than 201 cm. The projector is no longer sold by the manufacturer. Unfortunately, we can no longer offer replacement lamps for this model, neither originals nor replicas.

Display Type

3 x 0,9 TFT Panel
XGA 4/3 Liquid Crystal Display

Ansi-Lumen
