

# DBPOWER L23

DBPOWER L23

## Brief Introduction

Beta 2.5

The DBPOWER L23 Standard portable LED LCD projector has 600 ANSI lumens, a contrast ratio of 10,000:1, and an HDTV resolution of 1920 x 1080. Thanks to its LEDs, the projector has a light source lifespan of up to 55,000 hours, which would amount to over 37.7 years based on 4 hours of daily use. Horizontal and vertical keystone correction ensures effortless image setup. With a brightness of 600 ANSI lumens, an image width of 249 cm is possible. In room lighting, the image should be no wider than 166 cm. Since the projector supports AirPlay, Miracast, and screen mirroring, it is possible to stream high-resolution videos and surround sound directly from a smartphone, tablet, or PC (Android, Windows, and iOS) to stream high-resolution videos with surround sound directly via Wi-Fi. Another notable feature is that the projector's Bluetooth function allows it to connect to external wireless speakers. The model is also compatible with Full HD 1080p and 4K (compressed).
