

Dell S500wi

DELL S500WI

The Whiteboard S500wi 3D BrilliantColor DLP projector from Dell has 3200 Ansi lumens, a contrast of 2300:1 and a WXGA 1280 x 800 resolution. Includes an integrated media player for direct playback of files. A picture width of up to 575 cm is possible. However, the picture should be smaller in room light. We recommend max. 383 cm. The projector offers an interactive whiteboard function for interactive training courses and presentations. The model is also Full HD 1080P compatible. On the market since 2011, the model is now no longer offered by the manufacturer Dell, but is still very popular in our projector database.
