

Elite Projector MosaicGO® Lite

ELITE PROJECTOR MOSICGO® LI

The MosaicGO® ½ Lite LED DLP projector from Elite Projector has 1000 Ansi-Lumen, a contrast of 20000:1 and a HDTV 1920 x 1080 resolution. The lifespan of the LEDs is 25000 hours, which is over 17.1 years with a daily viewing time of 4 hours. The horizontal and vertical keystone correction provides leeway when setting up. Thanks to the short throw projection ratio of just 0.3:1, the projector does not stand out in the room. For a 2m wide image, the projector only needs to be 60 cm away from the screen. Playing 1080P is also no problem for the projector.

1 x 0,47" DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip

Projector	1000	444 Lux (bei 200 cm Screen)
