

Elite Projector MosaicGO® 360 Lite

The MosaicGO® 360 Lite LED DLP has 1000 Ansi-Lumen, a contrast of 20000:1 and a HDTV 1920 x 1080 resolution. It is an LED projector with 25000 hours of light life, which is over 17.1 years with four hours of use per day. The horizontal and vertical keystone correction provides leeway when setting up. This projector has a projection ratio of just 0.3:1. For a 2 m wide image, the projector only needs to be 60 cm away from the screen. Playing 1080P is also no problem for the projector.
