A brief introduction to the EB 1860: The Epson standard portable LCD projector offers 4000 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. The horizontal and vertical keystone correction provides room for maneuver when setting up. 551 cm image width, the projector will be able to illuminate well. The projector can manage rooms with residual light with a smaller image width, we recommend a maximum of 367 cm here. Playing 1080P is also no problem for the projector. The projector was launched in 2011 and is no longer sold by the manufacturer.

3 x 0,63" D7 LCD TFT Panel mit MLA
