

Epson EB-5535U

EPSON EB-5535U

The Epson EB-5535U LCD projector has 5500 Ansi lumens, a contrast of 15000:1 and a WUXGA 1920 x 1200 resolution. The lamp in the projector is specified with a lamp life of 5000 hours, which is over 6.8 years if enjoyed for two hours a day. The built-in lens shift and keystone correction function provides freedom when setting up. 5500 Ansi lumens ensure that a picture width of 753 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 502 cm. Even 1080P video signals are no problem for the projector. This model is no longer offered by Epson.
