

Epson EB G5450WU

EPSON EB G5450WU

Brief Introduction

Beta 2.5

The standard portable EB G5450WU LCD projector from Epson has 4000 Ansi lumens, a contrast of 1000:1 and a WUXGA 1920 x 1200 resolution. With the lens shift function, the projector can be positioned very freely. Thanks to the brightness of 4000 Ansi lumens, a picture width of 643 cm is possible. The projector can also handle slightly brighter rooms with a narrower picture width (we recommend a maximum of 429 cm). Playing 1080P is also no problem for the projector. It was launched in 2010 and is no longer offered by the manufacturer Epson, but is still one of the most popular projectors.
