

Epson EB-L265F

EPSON EB-L265F

The Epson model EB-L265F is an LCD laser projector with HDTV 1920 x 1080 resolution and a contrast of 2500000:1. The lifetime is 20000 hours due to the laser, which is over 13.7 years with a daily viewing of 4 hours. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. An image width of up to 689 cm is possible as the projector has 4600 Ansi lumens. The projector creates rooms with residual light with a smaller image width, max. 459 cm is recommended. As the projector recognizes Miracast screen mirroring signals, it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). The model is also Full HD 1080P and 3D compatible, and even has the option of projecting HD 1080P Blu-rays onto the ceiling using 360° projection.
